*Withdrawals from all non-exempt wells must be measured or estimated by the owner or operator using a device or method approved by the District that is within plus or minus 10% of accuracy. The operating permit holder shall maintain records of withdrawal on the property where the well is located or at its business office, and shall make those records available to the District for inspection. Whether measured or estimated by an approved method, water use shall be reported to the District annually, as requested by the District.

I hereby swear or certify that the information in this report is true and accurate to the best of my knowledge and belief and agree to abide by the District's Rules.
